The annual assessment shall become due on the thirtieth (30th) day following such written notice of the Due Date, whichever is later. The Board may establish reasonable payment procedures to allow or require payment of the annual assessment in installments during the Assessment Year. The Board shall also establish payment procedures for payment of any special assessments for capital improvements which may be levied in accordance with the provisions of this Article IV.

(b) All Members of the Association shall be given written notice by the Board not less than ten (10) nor more than fifty (50) days in advance of any meeting of the Members of the Association at which the Board shall propose taking action pursuant to Section 4.04(c) and Section 4.05 of this Article IV. Such written notice shall specify under which Section or Sections the Board will propose action. At such meeting, the presence of Members or proxies entitled to cast fifty percent (50%) of the total votes outstanding shall constitute a quorum. If the required quorum is not present at such meeting, a second meeting may be called by the Board subject to the same notice requirement, and the required quorum at such second meeting shall be thirty percent (30%) of the total votes outstanding. No such second meeting shall be held more than thirty (30) days following the first meeting. If the required quorum is not present at the second meeting, the Board may take such action without approval of the Members.

4.07. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Residences and a uniform rate for all undeveloped Lots. The rates for Residences and undeveloped Lots need not be the same. Notwithstanding the foregoing, Association shall be entitled, by amendment to this Declaration, or by separate declaration(s) or covenants, restrictions and easements applicable to the Villas and/or Cottages, to provide for additional assessments to be paid by the Owners of the Villas and Cottages.

4.08. Payment of Assessments by Declarant. Notwithstanding any provision contained herein to the contrary, for so long as Declarant is the Owner of any Lot, Villa or Cottage within the Development, Declarant shall not be liable for assessments against such Lots and Villas, provided that the Declarant funds any deficit which may exist between assessments and the actual operating expenses (but not reserves) of the Association during such period. Declarant may at any time and from time to time commence paying assessments as to Lots and Residences that it owns and thereby automatically terminate its obligation to fund deficits, but may at any time thereafter and from time to time again elect to follow the procedure specified in the preceding sentence. When all Lots and Residences within the Development have been sold to third parties, Declarant shall have no further liability of any kind to the Association for the payment of assessments or deficits.

In the event of default in the payment of any one or more installments of an assessment, the Board may declare any remaining balance of the assessment at once due and payable. In the event that an Owner shall fail to pay fully any portion of any assessment prior to the date on which payment is due, such unpaid portion (including any remaining balance declared immediately due and payable in accordance with the preceding sentence), together with interest and costs of collection including reasonable attorneys' fees, shall be a binding personal obligation of such Owner, as well as a lien on such Owner's lot and/or Residence enforceable in accordance with the provisions of this Declaration.

4.11. Certificate of Payment. Upon written demand by an Owner, the Association shall within a reasonable period of time issue and furnish to such Owner a written certificate stating that all assessments (including penalties, interest and costs, if any) have been paid with respect to any Lot and/or Residence owned by said Owner as of the date of such certificate or that all assessments, interest and costs have not been paid, setting forth the amount then due and payable. The Association may make a reasonable charge for the issuance of such binding with regard to any matter therein stated as between the Association and any bona fide purchaser of, or lender on, the Lot in question.

4.12. Specific Assessments. The Board shall have the power to specifically assess pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. The Board may specifically assess owners for the following expenses, except for the expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association as provided herein:

(a) Expenses of the Association which benefit less than all of the Lots or Residences, which may be specifically assessed equitable among all of the Lots and Residences which are benefitted according to the benefit received;

The Board shall appoint the members of the ACC. All costs of operating the ACC shall be borne by the Association.

(b) Each initial member of the ACC shall be appointed for a calendar-year term. If any vacancy shall occur in the membership of the ACC by reason of death, incapacity, resignation, removal or otherwise, the remaining members of the ACC shall continue to act and such vacancy shall, subject to the provisions of 5.01(a), be filled by the Board at the earliest possible time. Any ACC member may resign at any time by giving written notice of such resignation to the Chairman of the ACC and such resignation shall take effect on the receipt thereof by the Chairman. Any member of the ACC may be removed at any time with or without cause by the Board.

5.02. Purpose, Powers and Duties of the ACC. The purpose of the ACC is to assure that any installation, construction or alteration of any Structure on any Lot shall be submitted to the ACC for approval (i) as to whether the proposed installation, construction or alteration is in conformity and harmony of external design and general quality with the existing standards of the neighborhood and with the standards of the Cullasaja Club Development, and (ii) as to the location of Structures with respect to topography, finished ground elevation and surrounding Structures. To the extent necessary to carry out such purpose, the ACC shall have all of the powers and duties to do each and everything necessary, suitable, convenient or proper for, or in connection with, or incidental to, the accomplishment of such purpose, including, without being limited to, the power and duty to approve or disapprove plans and specifications for any installation, construction or alteration of any Structure on any Lot.

Notice of each regular or special meeting of the ACC shall be mailed to each member thereof at his residence or at his usual place of business at least three (3) days before the day the meeting is to be held. Notice of regular and special meetings need not specify the purpose or purposes for which the meeting is called. Notice of a meeting need not be given to any member of the ACC who signs a waiver of notice either before or after the meeting. Attendance of a member of the ACC at a meeting shall constitute a waiver of notice of such meeting and shall constitute a waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, except

when the Member states, at the beginning of the meeting, any such objection or objections to the transaction of business. At each meeting of the ACC, the presence of a majority of its members shall constitute a quorum for the transaction of business. Except as otherwise provided herein, the act of a majority of the members of the ACC present at any regular or special meeting thereof at which a quorum is present shall constitute the act of the ACC. In the absence of a quorum, any member of the ACC present at the time and place of the meeting may adjourn the meeting from time to time (but not more than thirty (30) days) until a quorum shall be present. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally called. The ACC shall maintain both a record of votes and minutes for each of its meetings. The ACC shall make such records and minutes available at reasonable places and times for inspection by Members of the Association and by the Secretary. Such consent shall have the same force and effect as a unanimous vote, and may be stated as such in any document filed by the ACC.

(i) The ACC shall adopt and promulgate the Design Standards described in Section 5.05 hereof and shall, as required, make findings, determinations, rulings and orders with respect to the conformity with said Design Standards of plans and specifications to be submitted for approval to the ACC pursuant to the provisions of this Declaration. The ACC shall, as required, issue permits, authorizations or approvals, which may include specified requirements or conditions, pursuant to the provisions of this Declaration.

(ii) Any two (2) or more members of the ACC may be authorized by the ACC to exercise the full authority of the ACC with respect to all matters over which the ACC has authority as may be specified by resolution of the ACC, except with respect to the adoption of promulgation of the Design Standards. The unanimous action of the two (2) or more members with respect to the matters specified shall be final and binding upon the ACC and upon any applicant for an approval, permit or authorization, subject, however, to review and modification by the ACC on its own motion or appeal by the applicant to the ACC as provided in this paragraph (ii). Written notice of the decision of such two (2) or more members shall, within five (5) working days thereof, be given to any applicant for and approval, permit or authorization. The applicant may, within ten (10) days after receipt of notice of any decision which he deems to be unsatisfactory, file a written request to have the matter in question reviewed by the ACC. Upon the filing of any such request, the matter with respect to which such request was filed shall be submitted to, and reviews promptly by, the ACC, but in no event later than thirty (3) days after the filing of such request. The decision of a majority of the members of the ACC with respect to such matter shall be final and binding.

No Structure shall be commenced, erected, placed, moved onto or permitted to remain on any Lot or any other part of the Property, nor shall any existing Structure upon any Lot or any other part of the Property be altered in any way which materially changes the exterior appearance of the Structure or Lot, unless plans and specifications therefore shall have been submitted to and approved in writing by the ACC. Such plans and specifications shall be prepared by a registered architect and be in such form and shall contain such information as may be reasonable required by the ACC in the Design Standards, including, without being limited to:

Approval for use in connection with a lot or Structure of any plans and specifications shall not be deemed a waiver of the ACC's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot or Structure. Approval of any such plans and specifications relating to any Lot or Structure, however, shall be final as to that Lot or Structure and such approval may not be revoked or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans

and specifications, as approved, and any conditions attached to any such approval.

5.08. Disapproval of Plans and Specifications. The ACC shall have the right to disapprove any plans and specifications submitted pursuant to this Declaration because of any of the following:

(a) the failure to include information in such plans and specifications as may have been reasonably requested;

(b) the failure of such plans or specifications to comply with this Declaration or the Design Standards;

In any case in which the ACC shall disapprove any plans and specification submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. Any employee or agent of the Association or the ACC may, after reasonable notice, at any reasonable time or times enter upon any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration; and neither the Association, nor the ACC, nor any such agent shall be deemed to have committed a trespass or other wrongful act solely by reason of such entry or inspection, provided such inspection is carried out in accordance with the terms of this Section.

The issuance of the Certificate shall in no way be construed to certify to any party that the structures have been built in accordance with any applicable rule, regulation or building codes.

5.13. Fees. The ACC may impose and collect a reasonable and appropriate fee to cover the cost of review of plans and of inspections performed pursuant to Section 5.10. This fee as well as impact fees shall be established from time to time by the ACC and communicated to the membership.

5.14. Nondiscrimination by ACC. The ACC shall not discriminate against any applicant requesting its approval of plans and specifications because of such applicant's race, color, sex, religion, age or national origin.

5.15. Disclaimer as to ACC Approval. Plans and specifications are not reviewed for engineering or structural design or quality of materials, and by approving such plans and specifications neither the ACC, the members thereof, nor the Association assumes liability or responsibility therefore, nor for any defect in any structure constructed from such plans and specifications. Neither the Association, the ACC, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these Restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. 8.05. No Waiver. The failure of the Association, or the Owner of any Lot, his or its respective legal representatives, heirs, successors and assigns, to enforce any restrictions herein contained shall in no event be considered a waiver of the right to do so thereafter, as to the same violation or breach or as to any violation or breach occurring prior or subsequent thereto.

11.04. Gender. Throughout this Declaration, the masculine gender shall be deemed to include the feminine and neuter, and the singular, the plural, and vice versa.

Any written communication transmitted in accordance with this section 11.05 shall be deemed received on the third (3rd) day following the day such written notice is deposited in the United States mail.

11.06. No Liability. The Association has, using best efforts and all due diligence, prepared and recorded this declaration so that each and every Owner shall have the right and power to enforce the terms and provisions of this declaration against every other Owner. However, in the event that this Declaration is, for any reason whatsoever, unenforceable by an Owner (or any other person) in a court of law or otherwise, The Association shall have no liability of any kind as a result of such unenforceability, and each and every Owner by acceptance of a deed conveying a Lot and/or Residence, acknowledges that the Association shall have no such liability.

11.07. Insurance.

(a) At all times during the term of this Declaration, the Association, its successors and assigns, shall be required to keep any and all recreational facility improvements located on the Common Property fully insured by a reputable insurance company authorized to transact business in the State of North Carolina with (i) fire, vandalism, malicious mischief and extended coverage insurance in an amount adequate to cover the cost or replacement of such improvements in the event of loss of any and/or all of such improvements, fixtures and contents thereof; and (ii) public liability insurance in such amounts as shall be determined by the Board of Directors as appropriate for the type of recreational activities which shall be allowed on the Common Property. Any such policies of insurance shall require that the certificate holders and insured be given thirty (30) days prior written notice of any cancellation of such policies.

(b) Immediately after the damage or destruction by fire or other casualty to all or a portion of an improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty.

Any damage or destruction shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five percent (75%) of the total Association vote entitled to vote thereon otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available, provided, however, such extension shall not exceed one hundred and twenty (120) days.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall,

without the necessity of a vote of the Association's Members, levy a special assessment. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited for the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Development in a neat and attractive condition.

(c) The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the persons who are responsible hereunder for maintenance of the damaged or destroyed property.

(d) In addition to the coverage described hereinabove, the Association shall obtain such additional amounts and types of insurance as may be required from time to time, by either the Veterans Administration or Federation Housing Administration, their successors and assigns, for similar type residential subdivision communities.

(a) any condemnation loss or any casualty loss which affects a material portion of the Development or which affects any Lot and/or Residence on which there is a first Mortgage held, insured, or guaranteed by such eligible holder:

(b) any delinquency in the payment of assessments or charges owed by an Owner of a Lot and/or Residence subject to the Mortgage of such eligible holder where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Lot and/or Residence of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of eligible Mortgagees.

12.02. Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless

at least two thirds (2/3) of the first Mortgagees or at least two-thirds (2/3) of the total Members of the Association vote entitled to vote thereon consent, the Association shall not:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Property which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Property shall not be deemed a transfer within the meaning of this subsection);

(b) change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner of a Lot and/or Residence;

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Residences and of the Common Property (The issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.);

(d) fail to maintain insurance, as required by this Declaration; or

(e) use hazard insurance proceeds for any Common Property losses for other than the repair, replacement, or reconstructions of such property.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Property and may pay overdue premiums of casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

12.03. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of a Lot and/or Residence in the cases of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

12.04. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Residence.

12.05. Amendment by Board. Should the Veterans Administration, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

12.06. Applicability of Article XII. Nothing contained in this article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or North Carolina law for any of the acts set out in this Article.

12.07. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.
